# 1.0 Introduction

Web Reservations or 'WebRes' will allow you to accomplish the following:

1. Create an Online Profile for booking car services
2. Manage Online Profiles
3. Create, Edit, or Cancel Online Reservations
4. Monitor the Status and History of Reservations

This User Guide is designed to give you a step by step approach to learning the Odyssey Web Reservation system.

## 1.1 Guidelines

Please be advised of the following guidelines for using the Web Reservations system.

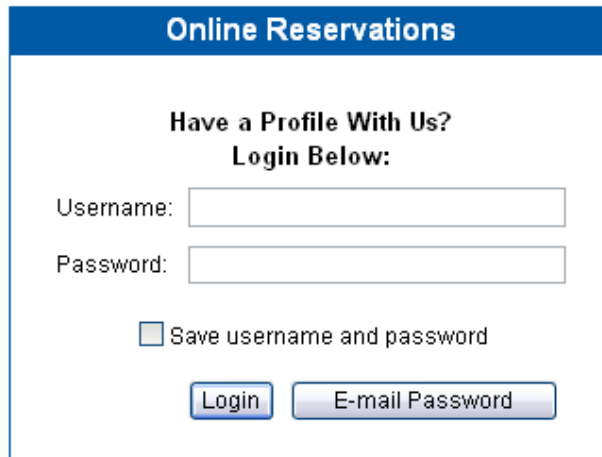

- Any of the current rules or policies that are in place for booking car services will continue in effect with the new Web Reservation system.
- You are encouraged to make reservations as much as possible in advance of the schedule pickup date and time.
- Please refrain from using the WebRes system to book ASAP reservations or any car service request with less than 1 hours notice. ASAP reservations must be booked via telephone as the most updated availability information will be provided.
- Any changes or cancellations for existing reservations with less than 1 hours notice should be called into Customer Service to ensure proper closure.

**NOTE – You will need an active Internet Connection and a web browser to continue with this instruction guide.**

## 2.0 Connecting to the Web Reservation System

---

- Open your Internet Browser
  - Go to your [www.angel-limos.com](http://www.angel-limos.com) website
  - Click on the 'E-Reservation Center' link found in the page
  - You will be directed to a Web Reservation login page that displays as follow:
- 

**Online Reservations**

**Have a Profile With Us?  
Login Below:**

Username:

Password:

Save username and password

**Do Not Have a Profile with Us?  
Click Below:**

**New User?  
Click below to create profile**

**NOTE – If you do not see this Login screen, please contact Customer Service.**

### The Login Screen

Typically on this page, users with Profiles are able to log in and create reservations by entering a Username and Password and clicking the '**Login**' button. Users can select the '**E-mail Password**' button and a password reset option will be sent via email.

Users choosing not to create Profiles will use the buttons under '**Do not have a Profile with us?**' section to create reservations and monitor the status of the rides.

The following page will discuss creating Profiles which uses the button, **Create Profile**.

## 2.1 Create an Online Profile

- From the Login screen click '**Create Profile**' and a page displays as shown below
- Fill in all applicable information and click 'Create Profile' when finished
- You will receive an automated Email response with your login information.

**Create Profile**

**Profile First Name:**

**Profile Last Name:**

**Email Address:**

**Travel Contact:**  Other  Self

**Contact First Name:**

**Contact Last Name:**

**Contact Phone:**

Account Authorization Code:  (leave blank for Retail Account)

**Note – Account Authorization Code is sent to you by your Account Manager**

Once the profile creation is completed you can log into the website by entering the username (email address) and password and clicking the **Login** button.

**Online Reservations**

**Have a Profile With Us?  
Login Below:**

Password:

Save username and password

If you are logging in for the first time, the system prompts you to change your password. If you forget your password, use the 'Email Password' button. If your username and password are not valid, an appropriate message is displayed: **Invalid Username or Password.** A successful login will display the Web Reservation **Home** page.

## 3.0 Web Reservations – Overview

- Log into Web Reservations and examine the **Home** page

The screenshot shows the Home page of the Web Reservations system. At the top, there is a navigation bar with tabs: Home, Book Ride, Upcoming Rides, Ride History, Price Quote, Flight Info, Weather, Traffic, and My Profile. Below the navigation bar, the date and time are displayed as "Thursday, April 27, 2006 9:03 AM", and the user is logged in as "Lara Ravin".

The main content area is divided into two columns. The left column, titled "This Week's Rides:", lists three rides:

- Today at 6:30 AM**: From: Office, To: Home. Status: Past Ride. Links: View | Change | Cancel.
- Today at 12:50 PM**: From: Office, To: Home. Status: Reservation Confirmed. Links: View | Change | Cancel.
- Tomorrow at 11:53 AM**: From: KATZ DELICATESSEN, NEW YORK, NY, To: PANAMA, NEW YORK, NY. Status: Reservation Confirmed. Links: View | Change | Cancel.

The right column contains a "Statistics" section with a "YTD Ride Counts" bar chart:

Category	Count
Upcoming	5
Completed	30
Cancelled	13

Below the statistics is a "Book Ride" section with a "Book Ride" button and text: "For assistance with issues related to ride bookings or profile management, call Customer Service: 800-498-9107. Help is available 24/7 every day of the year."

At the bottom of the right column is an "Important Messages" section with a message: "Reduced Rates on Thanksgiving Day!"

### Overview of Web Reservations tabs:

**Home:** Displays basic information of scheduled rides, contact information for customer services and an Important Messages advisory.

**Book Ride:** This tab is used to create new reservations with the car service.

**Upcoming Rides:** Search and view current and future scheduled rides, make changes to reservations, cancel rides, and displays reservation status.

**Ride History:** Search and view past scheduled rides and completed reservations.
